Introduction

The Alcohol and Tobacco Tax Division of the State Comptroller's Office is responsible for collecting alcoholic beverage and tobacco taxes and for administering and enforcing the state's alcoholic beverage and tobacco tax laws.

This report details the division's activities, including revenue collections and audits, for fiscal year 2001, beginning July 1, 2000, and ending June 30, 2001.

Revenue

Total net receipts derived from the alcoholic beverage and tobacco taxes, license and permit fees and miscellaneous income for fiscal year 2001 amounted to \$231,023,260. A 3.6% increase in the beer tax revenue, a 4.1% decrease in wine tax collections, and a .03% decrease in the distilled spirits receipts contributed to an overall increase of .05% in alcoholic beverage tax collections compared with fiscal year 2000. The net receipts from the sale of cigarette tax stamps, \$199,367,485, reflected a .09% increase from the previous fiscal year. The net receipts collected from the first year of Other Tobacco Products Tax amounted to \$5,796,705. The cigarette tax yielded the largest percentage of the division's net receipts, 86.3%, while distilled spirits produced 5.0%, beer 4.0%, wine 1.7%, and other tobacco products 3.0%.

Alcohol and Tobacco Legislation

Although there were no statewide bills passed by the 2001 General Assembly that have significant impact on the alcoholic beverage or tobacco industries, several bills were introduced which, if passed, would have had an impact. Some of these bills may resurface in the next legislative session. A brief summary of the defeated bills includes:

SB 272 and HB 1020 would have created a personal consumption import license

SB 327 and HB698 would have increased the discount rate on tobacco tax stamps. This bill passed both houses of the General Assembly, but was vetoed by the Governor.

SB 464 and HB 657 would have increased the alcoholic beverage tax rates

HB 962 would have allowed interstate shipment of wine to consumers by wine clubs

Bulk Transfer Permits

When a license is issued for a partnership or proprietorship, title to the licensee's stock of alcoholic beverages can change under the Alcoholic Beverages Laws of Maryland in the following cases: death of an applicant, substitution of an applicant, addition of an applicant, when the business ceases, restructuring from a proprietorship or partnership to a corporation or vice versa.

A bulk transfer permit provides for lawful transfer of the stock of alcoholic beverages in those cases. The fee for a bulk transfer permit is \$100.

The table below indicates the bulk transfer permits issued during fiscal year 2001. The 222 permits issued represent 30 less than the previous year.
